

O. Can I Play? Finally, a novel for the female athlete! This inspiring novel by J. Dillard tells the story of a motivated volleyball player. This book delivers thought provoking questions and insights into the aspiring athlete's mind that remind us what it is like to be young and strong with our future in front of us.

P. We Can Play is a sequel to the *Can I Play* novel by J. Dillard. Sometimes life throws us a curve or challenges that far exceed the games we play. Learn how Keli accepts and faces her challenges. Read how Keli must make a decision that could reverse everything she had been working towards.

Q. Final Point is the conclusion to the *Can I Play* trilogy by J. Dillard. *Final Point* captures the perspectives of the driven athletes who come face-to-face with realities of life. Follow Keli's struggles as she completes high school and steps into the world of adulthood.

R. Volleyball - Playing with Your Head at Any Height. Volleyball is a game that is not determined by your height, but by your ability as a player. This book will teach you the fundamentals of the game, while also helping to develop your personal goals as a player. This book is written for middle and high school players.

S. Volleyball Winning Doubles: Mastering the Game Through Strategy and Training is meant to bring players of all levels immediate improvements in their game. Using a series of strategies discussed nowhere else in any book currently on the market, Jennifer Sangiacomo covers all aspects vital to a player's success on the doubles court.
