

Northern Lights Junior Volleyball Incorporated is a non-profit 501 (c)(3) corporation dedicated to the development of volleyball athletes.

Our volleyball camps/clinics have trained over 4000 volleyball players during the past 14 years!

Our Junior Olympic club teams are among the best in the Nation! We will be offering information at the youth clinic about playing club volleyball!

The experienced coaches of Northern Lights Junior Volleyball will give your young player a fun, quality introduction to a great game!

Our aim is to introduce young players to the great game of volleyball and teach older players higher skills.

Players will learn technique, participate in drills, and play modified games!

We use the Volley-Lite balls for our younger players (grades 4 - 6).

Bring your friends and join us for some competitive, fun-filled nights of volleyball!
